77 WEST HURON APARTMENTS, CHICAGO, ILLINOIS

This 25 story apartment building was designed to capture a significant piece of the expanding residential market in Chicago's River North area. The building contains 304 apartments, ranging in size from studios to two-story townhomes and expansive three-bedroom apartments with rooftop terraces. Floor plans provide desirable corner views for all apartments. Brick and limestone details at the base of the building, reflect the scale and texture of older residential buildings in the neighborhood.
