

FLASHPOINT ACADEMY, CHICAGO, ILLINOIS

## FLASHPOINT ACADEMY, CHICAGO, ILLINOIS

This new for-profit media arts and sciences school occupies 58,000SF in an existing office building in Chicago's Loop. Flashpoint Academy offers four areas of study: cinema, recording arts, gaming and animation. Program spaces include classrooms, computer labs, recording facilities, lounges, and administrative offices. The project was designed to achieve a LEED CI 2.0 basic certification or better.
