## HAWTHORNE LANE RESTAURANT, SAN FRANCISCO, CALIFORNIA

This acclaimed restaurant, owned by well known chefs David and Annie Gingrass, is located in a rehabbed newspaper printing plant in the SOMA neighborhood of San Francisco. Its elegant, expansive design integrates new and existing architectural elements to create a singular dining experience. The airy 10,000 square foot restaurant is divided into a casual dining bar and a more formal dining room. Guests enter through an enclosed courtyard which is defined by existing seismic framing and brick arches.
