ILLINOIS TOOL WORKS SHOWROOM, GLENVIEW, ILLINOIS

This 5,000 square foot showroom in ITW's headquarters building responds to the complex, multi-faceted company's desire to present a unified definition of itself to shareholders and investors. A long series of graphic panels identifies each of ITW's subsidiaries. ITW's history, mission, investment philosophy and global reach are also presented. The exhibits are structured by a series of wood ribs that arch across the showroom creating a large meeting area with state-of-the-art audiovisual presentation capabilities.
