

LINCOLN PARK ZOO MUSEUM STORE AND CAFE, CHICAGO, ILLINOIS

## LINCOLN PARK ZOO MUSEUM STORE AND CAFE, CHICAGO, IL

The new 7,000SF retail facility with an open-air rooftop cafe expands the zoo's retailing and food service capabilities. The interior of the facility, designed for flexibility and serious wear and tear, houses space for both sales and special events. Overhead, the rooftop terrace cafe can accommodate 300 people. Easy access to the cafe is provided via stairs and accessible ramps. This project also included the redesign of public paths and landscaping around the site.
