## MELLI WALKER PEASE & RUHLY LAW OFFICES, MADISON, WISCONSIN

This law firm wanted a striking contemporary design for their new offices, located at 10 E. Doty, a new office building designed by Valerio Dewalt Train. The office also had to provide a fitting home for the firm's exceptional collection of modern art. The reception area and main conference room feature cherry wall paneling, custom cherry seating and a custom cherry reception desk. Flooring materials include maple, slate, and carpeting.
