

THE MERCHANDISE MART REDEVELOPMENT, CHICAGO, ILLINOIS

THE MERCHANDISE MART REDEVELOPMENT, CHICAGO, ILLINOIS

The creation of an upscale public retail center within this huge international showroom and trade center for contract furnishings was a challenging commission. The project involved the redevelopment of 265,000 square feet on the Mart's first and second floor to accommodate over 60 retail and specialty stores, restaurants and a food court. The renovation of the exterior included new entrances and the reconstruction of windows to showcase retail merchandise.
