

MEDILL SCHOOL OF JOURNALISM, NORTHWESTERN UNIVERSITY, EVANSTON, ILLINOIS

Valerio Dewalt Train consulted with the Medill School of Journalism on the interior architecture of the 37,000sf McCormick Tribune Center. VDT designed the newsroom, used for the award-winning nightly newscasts by Northwestern students, with a movable desk and interview stations to enhance the flexibility of the studio. VDT selected all interior finishes and furniture for the offices, classrooms, computer labs, student and faculty lounges and building signage.
