

33 EAST MAIN STREET OFFICE BUILDING, BLOCK 89, MADISON, WISCONSIN

### 33 EAST MAIN ST OFFICE BUILDING, BLK 89, MADISON, WI

33 East Main was completed in late summer of 2007. The nine-story building has a transparent skin of glass with a masonry armature, engineered to meet Wisconsin's stringent energy code. The Block 89 redevelopment is a multi-faceted, phased construction program designed to increase office, retail and parking space in the area.
